

I am writing to ask you not to replace K-LOVE with a LPFM. K-LOVE is a station my family listens to everyday, without fail. It encourages us, informs us on issues we feel are important, and ministers to us in a way no other station would be able to. Our entire community would suffer great loss if we were unable to receive K-LOVE. I know that K-LOVE help save lives, save souls, and encourage people with their ministry every day. I want my children to be able to grow up with a music station that will not corrupt them, degrade them, or introduce them to themes they don't need to be exposed to; but will be a blessing and a safe haven for them. I urge you not to replace K-LOVE with a LPFM. Thank you for taking the time to read this. Diane Moomey
